

Indoor Fly Trap

1. Peel off release paper.
2. Hang Fly Trap.

Tips:

Eliminate food sources for flies by covering food and keeping lids tight on trash receptacles.

Place Victor Indoor Fly Trap in well-lit area - flies are attracted to light.

Victor Indoor Fly Trap may also be used outside in areas protected from the weather.

Replace Victor Indoor Fly Trap when it's about 90% full of trapped flies.

Save this box for future trap disposal.
